Mom and/or Baby determined prenatally to have risk factor that may effect delivery or post-delivery care by prenatal provider ****
Prenatal provider consults with OB and/or Pediatrican on Call to determine if delivery at CCRMC is appropriate
If no, prenatal provider makes plan for delivery at tertiary center with Perinatology and/or Neonatology consult and dictate
If yes, OB and/or Peds will determine if plan of care requires a case conference with family and care team
If no, then prenatal provider dictates plan of care agreed upon with consulting OB or Peds
If yes, refer case to Vicki Dominquez, Perinatal Social Worker to coordinate case conference(925)370-5486
At completion of case conference, plan of care will be dictated by designated person from the team and made available to perinatal staff
When patient admitted to L&D staff will notify hospital pediatrician (pager 733) , nursery and social worker
